## **Reader's Choice Award October 2014**

### **Auctioneer's Note:**

A special "Thanks" to each and everyone of you for voting us as your favorite Auction Company. As a rule, our Public Auctions are held on Saturday morning at 10:00 a.m. I never open the microphone on a Saturday morning without taking into deep consideration the importance and reality of the Service we are about to render. To some, it is just another Auction, just another Sale, but to me, it is a lifetime of accumulation of some Special Person and Someone's Loved One.

As a rule, on any given Saturday, everything a Person has accumulated in One's life will be "Sold" by the time the Sun goes down. The process serves as a "Reality Check" to all of us, on how insignificant material things really are, and how precious life and the quality of life really is. Our goal is to help make this Chapter in a Person's Life as seamless and painless for the Family as possible. It is an Honor to have been chosen to serve your family's interest in this Chapter of their Life. Once again, "Thanks" for voting us your favorite Auction Company for 2014.

Sincerely,

Gary M. Criswell
